NATIONAL PRESIDENT  
THE BHARAT SCOUTS AND GUIDES

सभी जानते हैं कि "कोविड 19" महामारी ने दुनिया भर में प्रभाव डाला और लोगों को लॉकडाउन के दौरान घर में रहने के लिये मजबूर किया। हमारा देश हमारे माननीय प्रधानमंत्री श्री नरेन्द्र मोदी जी के नेतृत्व में चुनौतियों का सामना कर रहा है।

भारत स्काउट्स एवं गाइड्स को देश भर के अपने स्वयंसेवकों पर गर्व है जिन्होंने 25 मार्च, 2020 से लॉकडाउन के कारण चुनौतियों का सामना करने में बड़े पैमाने पर योगदान दिया। मुझे यह जानकर प्रसन्नता हुई है कि हमारे सदस्यों ने "पीएम केयर फंड" और अपने सम्बन्धित राज्य के "मुख्यमंत्री आपदा राहत कोष" में योगदान दिया। हमारे सदस्यों द्वारा विभिन्न स्थानों पर सामुदायिक रसोई का आयोजन कर लॉकडाउन में फँसे लोगों को भोजन उपलब्ध करा रहे हैं। सदस्यों द्वारा जरूरतमंद लोगों तथा "कोविड 19" कार्यों में सक्रिय रूप से शामिल फ्रंटलाइन कार्यकर्ताओं और स्वयंसेवकों को मास्क प्रदान करने हेतु सम्पूर्ण देश में "मास्क बैंक" आयोजित किये हैं।

राष्ट्रीय मुख्यालय ने "संकल्प" परियोजना प्रारम्भ की ताकि हमारे सदस्यों को घर पर रहते हुए सक्रिय रूप से व्यस्त रखा जा सके तथा इसने सदस्यों के बीच भावनात्मक संबंधों से जोड़े रहे। राष्ट्रीय मुख्यालय द्वारा आभासी रूप में राष्ट्र स्तरीय आभासी युवा मंच, राज्य मुख्य आयुक्तों और राज्य सचिवों की बैठक भी की गई एवं लॉकडाउन के दौरान सभी स्तरों पर गतिविधियाँ चलाते हुए एक साथ रखा गया।

मैं कठिनाइयों की इस अवधि में सभी के लिये कुशलता की कामना और अच्छे स्वास्थ्य के लिये प्रार्थना करता हूँ।

घर में रहें, सुरक्षित रहें।

## Personally Speaking अपनी बात

As you are all aware the World Health Organization has declared COVID-19 as public health emergency of international concern (pandemic). These are the challenging times and Bharat Scouts and Guides family stands in solidarity with the Government of India in this unprecedented situation. The safety and wellbeing of our scouts and guides is of paramount concern and therefore in compliance of the various advisories and guidelines issued by the Government of India, all scouting activities which includes youth programmes and adult training courses at all levels stand temporarily suspended.

It is an overwhelming experience to see how our state/district and local associations have adapted themselves to the current challenges by adopting digital tools to engage Scouts, Guides and facilitate them in their mission to serve their communities by using digital technology while staying indoor during the lockdown period. It is encouraging to receive positive feedback from citizens across the country and government agencies including Ministry of Youth Affairs on social media regarding selfless service rendered by the scouts and guides to the local administration to fight COVID-19 pandemic. I express my gratitude towards all the state/district and local associations as well as to our committed Scouts, Guides for their commendable efforts towards creating everlasting impression of scouting and guiding during this crucial time.

Keeping at pace with changing scenario and adapting to a new normal, a dedicated team of professionals at national headquarters is working hard to create online infrastructure and digital platform to facilitate smooth day to day functioning and implementation of programmes rolled out by the Bharat Scouts and Guides. The national headquarters for the first time created virtual national youth forum which inspired the youth from all the state associations to actively join the platform.

जैसा कि आप सभी जानते हैं कि विश्व स्वास्थ्य संगठन ने कोविड-19 (महामारी) को अन्तर्राष्ट्रीय चिंता का सार्वजनिक आपातकाल घोषित किया है ये चुनौतीपूर्ण समय है एवं इस अभूतपूर्ण स्थिति में भारत स्काउट्स एवं गाइड्स परिवार एकजुटता के साथ भारत सरकार के साथ खड़ा है। हमारे स्काउट्स एवं गाइड्स की सुरक्षा और भलाई सर्वोपरि है और इसलिए भारत सरकार द्वारा जारी विभिन्न सलाह और दिशानिर्देश के अनुपालन में सभी स्काउटिंग गतिविधियाँ जिसमें युवा कार्यक्रम और सभी स्तरों के वयस्क प्रशिक्षण पाठ्यक्रम सम्मिलित हैं को स्थायी रूप से निलंबित कर दिया गया है।

यह देखने वाला बड़ा अनुभव है कि हमारे राज्य/जिला और स्थानीय संघों ने स्काउट्स, गाइड्स को व्यस्त रखने हेतु किस प्रकार से डिजिटल टूल अपनाकर लॉकडाउन की अवधि के दौरान घर में रहते हुए डिजिटल तकनीक का उपयोग करके अपने समुदायों की सेवा करते हुए वर्तमान चुनौतियों के लिये खुद को अनुकूलित किया। यह कोविड-19 महामारी से लड़ने हेतु स्थानीय प्रशासन को स्काउट एवं गाइड द्वारा प्रदान की गई उनकी निःस्वार्थ सेवा के बारे में सोशल मीडिया पर युवा मामले मंत्रालय सहित देश भर के नागरिकों तथा सरकारी एजेंसियों से सकारात्मक प्रतिक्रिया प्राप्त करने हेतु प्रोत्साहित कर रहा है। मैं इस महत्वपूर्ण समय के दौरान स्काउटिंग और गाइडिंग की सार्वकालिक छाप बनाने की दिशा में उनके सराहनीय प्रयासों के लिये सभी राज्य/जिला और स्थानीय संघों के साथ-साथ हमारे प्रतिबद्ध स्काउट्स, गाइड्स के प्रति अपना आभार व्यक्त करता हूँ।

बदलते परिदृश्य के साथ सामंजस्य बिठाते हुए और एक नये सामान्य रूप से राष्ट्रीय मुख्यालय में पेशेवरों की एक समर्पित टीम के साथ काम करते हुए भारत स्काउट्स एवं गाइड्स द्वारा बनाये गये कार्यक्रमों के सुचारू रूप से संचालन और कार्यान्वयन तथा ऑनलाइन बुनियादी ढाँचे और डिजिटल प्लेटफार्म बनाने हेतु कड़ी मेहनत की जा रही है। राष्ट्रीय मुख्यालय ने पहली बार आभासी राष्ट्रीय युवा मंच का आयोजन किया जिसने सभी राज्य संघ के युवाओं को सक्रिय रूप से मंच से जुड़ने के लिए प्रेरित किया।

The Bharat Scouts and Guides also organized national virtual singing competition (singing fiesta) and dedicated the same to the corona warriors like doctors, nurses, para-medical Staff, police personnel, Safai Karmacharis (pariyavaran sahayak), scouts & guides, rovers & rangers and adult leaders as a token of respect and gratefulness for all their painstaking endeavour to save human lives.

The National Planning Committee meeting was held virtually on 30th April, 2020, unanimously deciding that Bharat Scouts and Guides will create a "Mask Bank" and each member of Bharat Scouts and Guides family will prepare **at least 10 (Ten) Masks and donate in the "Mask Bank"**. The committee also has decided that each member of the organization will contribute a **minimum amount of Rs 10/-** to the Prime Minister's Cares Fund and Chief Minister's Relief Fund to support the Government in its fight against COVID-19.

Last not the least I would like to appeal all our members to adhere to the guidelines issued by the Government of India from time to time and put forward a consolidated front in this war against COVID-19 and help the country rise stronger.

Greetings to all. Stay Safe, Stay Healthy.

DR. K.K. KHANDELWAL, IAS (RETD.)  
CHIEF NATIONAL COMMISSIONER

## From Editor's Desk सम्पादक की कलम से

Due to pandemic covid-19, we are not able to get our magazine printed from March 2020. Hence, the decision was taken to provide information to all the members in a pdf format. As the youth activities also affected because of this pandemic, the Bharat Scouts and Guides, National Headquarters, on the direction of our Chief National Commissioner, started virtual activities and meetings and I must give thanks to all the youths, volunteers and States for their support and active participation. The National Planning Committee Meeting and State Secretaries Conference were grand success and now everyone is feeling to organize these meetings online only instead of calling meeting in person at NHQ.

The Bharat Scouts and Guides is running number of programme and service activities on Covid-19 awareness and precautions. Our Hon'ble Youth Minister, Mr. Kiren Rijiju also appreciated the services rendered by Scouts and Guides in his tweet. The Ministry of Personal and Training also included Bharat Scouts and Guides in its **website [www.igot.gov.in](http://www.igot.gov.in)** as one of the service providers for training of volunteers. It's all has happened because of all our youth who started their service by making and distribution of mask, ration and meal distribution, helping administration in different areas, motivating community for social distancing, hand wash etc. The World Organisation of Scout Movement, Asia Pacific Region also appreciated our SANKALP Project and provided support to our SHELTER HOME services.

The Bharat Scouts and Guides is also recognized by Delhi Police and on its demand, the National Headquarters adopted 13 Home Shelters on 20th April and the work completed on 27th May 2020 in which more than 100 volunteers rendered their services. Our Jt. Directors, Dy. Directors, Asst. Directors, ROCs, Cook, Drivers also become covid warriors and rendered their services in the Shelters Home with the help of Delhi State volunteers.

Please encourage our youth for their hard and self created service. We have showed that the Scouts and Guides are always available for the service to the Community and Nation.

I salute you all.

## The Bharat Scouts and Guides, National Headquarters, New Delhi Covid-19 Service report from 23rd March to 3rd May, 2020

Bharat Scouts and Guides is a youth organization our members observed the “Janta curfew” to support the call of our honorable Prime Minister to stay at home. Later when the lockdown was called which made us suspend all our scheduled camps. We developed a digital curriculum for our children called as “Sankalp” where they stayed at home and worked on the different activities along with their families a detail activity report for Sankalp is attached. This was the group of children who accepted to stay at home and support the call of the Honourable Modiji.

“Sankalp” is a project with a tag line 'Create a Better Tomorrow'. We are involving youth in various online Webinars and trainings by engaging young people in this crucial situation due to this pandemic. Project Sankalp consists of 16 activities that are grouped into 4 sections. They are health and wellbeing, environment and sustainability, earth hour, and digital scouting guiding.

How is Project Sankalp beneficial to the youth?

Project Sankalp is beneficial to the youth as they are not only safe but will be productively engaged during this crisis. They not only learn how to become leaders, but they also help their community by teaching their peers. This project changes the conventional thought that one can only learn and indulge skills going into the outside world. Project SANKALP put on a virtual stage where we can learn, exhibit, enhance our skills, follow and share the precautionary measures sitting within four walls. All the prerequisites we need are Zeal, good thoughts and a good internet connection.

More than 20,000 children joined online within a week and the youth of the country and abroad are still joining

and are connected to this project. Details of the project is enclosed herewith.

Further there was a group of members who wanted to be active and be the frontline warriors. They responded by creating awareness campaign and asking the society members to stay at home and the importance of

Mask etc. They also rendered services like serving cooked food to the people started at the station, some made cloth mask and distributed in the community. Some of the units came together and collected dry ration and distributed to the street dwellers. Some provided sanitizer to the needy and even helped sanitizing the buildings etc.

As the lockdown was extended till 3rd May, 2020 and we gave a call to our member and asked them to help & support the local administration block and approach them so our services can be utilized and channelized for a larger result impact. This activated all our 54 state associations and we had huge number of scouts and guides, Rovers and rangers doing their bit of good turn to the society.

We scouts and guides believe that we should do a good turn daily without expecting anything in return and our members rendered their services to the police in manning the people, or volunteering at the check post, or helping the screening of the people or providing food etc... the scope of work that our members did was beyond our expectations.

Looking into the service that we provided, the DCP at central district of Delhi Police approached us to help them in the shelter homes. The staff and volunteers were then called to render their services at the shelter homes. A team of 50 staff and volunteers camped in this service camp and gave their service working back end and frontline.

The Bharat Scouts and Guides join hands as Warriors to mentally occupy the migrants who were housed in the temporary shelter homes in schools and community halls in Central District, North District and South West District of Delhi. These shelter homes are established by Govt. of NCT for the safety and security in order to restrict the spread of COVID 19. We adopted 2 centers in Daryaganj, 2 centers in I.P estate, 2 centers in

Paharganj, 2 in Karol baug, 1 in New rajinder Nagar, 1 in Roop Nagar, four in Rohini. In total we had 13 centers and we created an impact on about 900 men and 102 women in total.

We first divided them in small groups and called those groups with the names of famous personalities of Indian history. We assigned one person in them as the leader. This method of learning in small groups is one of our unique ways of teaching our scouts and guide. We first made them aware of the fact that they would have to stay

in these shelter homes until further decision of the GOI so why not clean the premises and make it a better place to leave. They cleaned the schools and premises themselves. We then told them about the daily routine, helped voice their issues to the Delhi police so they

could be comfortable in their stay and would create no nuisance while they were there. Our Rovers and Rangers took activities such as Drawing Competition, Exercises, Anulom Vilom, Singing, Art & Craft, meditation, method of living cordially in shelter home, importance of cultural activities, action songs, use hygienic food and use of clean drinking water etc. Group in charges/ leaders performed his/her duties to help in the activities. All the activities are driven keeping in mind the rules of social distancing and health hygiene of self and the migrants. Our volunteers set them in a systematic way i.e. working in small groups (patrol system a method of our learning). Organized debate on corona virus and how to safeguard themselves and other against corona virus.

The professionals of the Bharat Scouts and Guides conducted activities with them from 20.04.2020 every day in two shifts i.e. from 10.00 am to 01.00 pm and 05.00 pm to 7.30 pm.

Activities such as : Method and steps of Hand wash, Importance of Social Distancing, Use of proper Mask, Patrol System- divided 05 patrols and reviewed patrol system daily, Food distribution- Lunch and Dinner, Helping the people- to share their personal problem and helping them resolve as far as possible, Exercises- B.P. Exercise, Physical jerks, Yoga-Anulom, vilom, meditation, Art & Craft- Drawing Competition, Method of

living in shelter home - daily cleanliness, bathing, clean clothes, use hygienic food and importance of drinking water daily, Group in charges performed his/her duties to help in the activities and administration of the group, All the activities are driven keeping in mind the rules of social distancing, Campfire – Folk song, Folk dance, importance of cultural activities and Film show- steps of hand wash, entertainment by comedy scenes from Bollywood movies etc.

We provided as per demand bathing soap, washing soap, oil, Mask, shampoo and old cloths etc collected by our members

Shri Rajkumar Kaushik Director Bharat Scouts and Guides donated bathing and washing soap, shampoo for the residents of the shelter homes. Mrs. Manjula arranged clothes, soap, oil, shampoo etc. and distributed. We received some Mask, Sanitized, Gloves, vitamin tablets from DCP office on 28.04.2020, fewdettol

soaps, mask received from Delhi health departments on 29.04.2020. As per need of people, volunteers of Bharat Scouts and Guides distributed the basic need materials.

Ms. Darshana Pawaskar Joint Director (Guides) complied the daily report and published the newsletter with help of Mr. Shubhanshu Kumar Kori and circulated to all the decision makers and media personnel's. Shri Arup Sarkar I/C Deputy Director (Scouts) Project, National Headquarter was incharge of Service camp. Every film show arranged at shelter home for entertainment was compiled by Mr. Jit Ghosh IT incharge NHQ, Mr. Dhanraj Saini, Office Secretary, Western Region, Mr. Subhanshu Kumar Kori, Office

Secretary, Northern Region.

National Headquarters staff and volunteers were

engaged for the purpose of humanitarian service to do a daily good turn under the leadership of Shri Rajkumar Kaushik Director of Bharat Scouts and Guides National Headquarters New Delhi.

On 30th April we had our PanIndia virtual Planning meeting and it is decided in the meeting that all the members of Bharat Scouts and Guides would be collecting a donation of Rs 10 per person and would be donating it to the Prime Minister Care fund and the respective Chief Minister fund 50 % each.

The organization has also decided that every district of Bharat Scouts and Guides would have a Mask bank and the members will make mask and distribute it.

We were asked to prepare a list of our members who would be willing to serve the nation as frontline warriors and we have received more than 5000 consents from volunteers who are willing to work and can respond within in two days to our call of service.

We as an organisation has always supported the call of the government and would continue to do it in future. All our members have provided their services without any remuneration. We believe in doing a good turn daily and that's what our members have followed. We are in a process to collect the state wise volunteers working and lives reached report we shall forward you as soon as we receive it.

***We believe in creating a better tomorrow!***

## SANKALP - 'Create a Better Tomorrow'

The Bharat Scouts and Guides have launched Project "SANKALP" as a special online Scout Guide mela. This unique project was launched to engage the members of the organisation at home, during this challenging time of Covid-19 and beat the boredom of staying indoors. This was a compilation of activities for young people viz. Scouts/Guides, Rovers/Rangers and Unit leaders.

"Sankalp" was a project with a tag line 'Create a Better Tomorrow'. BSG has created a digital platform with various online Webinars and trainings by engaging young people in this crucial situation due to this pandemic.

Both educational and fun, Sankalp brought Scouting Guiding at the homes of young people across the country. They learnt about Nature, Environment and SDG's, and digitally engaged themselves as a global citizens through a range of four different set of Challenges. ## Trainer's Role during the period of COVID 19

The whole world has been in turmoil for the past three months due to COVID-19 which has paralysed our normal life. Most of us are in self quarantine at homes spending time either in reading books or in home entertainment. As far as the Scout movement is concerned, we had to stop all our training programmes for adults as well as the youth. The National Headquarters has well thought of to create activities like Virtual Singing Fiesta, Virtual Youth Forum etc. At the same time, trainers can spare their valuable time in the following activities:

- Prepare Power Point Presentations for Self Learning Modules
- Video sessions on Beginners` Course
- Online sessions for the unit leaders with the help of PPT
- Online quiz programmes for the unit leaders on each book in Scout literature
- Exposing the unit leaders at all levels to Scout literature online
- Online Trainers` Forum for Discussion on certain practical activities, gadgets etc.
- Online creative ideas in constructing pioneering projects
- Motivating youth to involve in service programmes under self protection
- Online Revision of some activities to the unit leaders such as prayer, flag song, Flag Ceremony, Inspection procedure, Duty Change
- Online interactive sessions on Communication Skills, Public Speaking, Managing Youth
- Helping the state in organizing the Virtual meetings
- Online campaign for the growth of membership contacting the managements and heads of institutions of schools and colleges.
- Online meetings with the unit leaders and other adult leaders and parents to work for membership growth.

This type of leisure time was never enjoyed by us all these years. By attending to the activities as listed above, adding some more creative ideas, we get self-satisfaction that we have been the part of this movement keeping the activities lively. Our aim is to train the boy for good and active citizenship. Selfishness is natural to boys but as adults we have to eradicate it. In the place of `self`, we substitute `the ambition to be of service to fellowmen`. We want our boys to be efficient, both physically and morally and of course Spiritually so that they will be efficient citizens to spend their time for service. This type of character training should be continuous but not intermittent. As such, we, as trainers should continuously be in touch with our unit leaders and help our unit leaders to conduct online activities for children such as online painting competitions, online patrol leaders` Forum, Online quiz programmes for Cubs and Scouts, Online video presentations of stories such as Mowgli`s stories, Stories of Panchatantra and Moral animated stories from holy books, online demonstration of handicrafts and other skill activities such as Origami. Unit Leaders may be advised to ask the Patrol Leaders to take online patrol activities in knotting, in preparing for proficiency badges. Many schools are asking one of the class leaders to form a group of his class and they are organizing online classes. Similarly, Patrol Leaders can make their own Patrol as a whatsapp group to conduct the activities. These activities keep our boys in touch with our movement and they continue to live with the habits of Scout life. It is well said that if there is a will, there is a way. In this way we can keep ourselves busy in contributing to the growth and development of this movement.
