## Personally Speaking अपनी बात

Do you ever feel that you don't have much to offer? You have the most precious resource of all: the ability to save a life by donating blood! Help share this invaluable gift with someone in need. Donating blood is one of the greatest ways to help the humankind. By doing so, we save someone's precious life, and that is a blessing in itself. Give Blood. Save Life. This reminds me of the words of Winston Churchill—"I have nothing to offer but blood, toil, tears and sweat".

A blood donation camp was organised in collaboration with the Red Cross Society all over India and at the NHQ of BSG where 41 people from Delhi along with the Jamia Youth Club and people from the state of Haryana donated blood. This event for a noble cause was a great success.

It gives me enormous pleasure to announce the launch of 'Weekly News Channel' of the BSG which shall run the news updates online for the information of all. This channel shall be the best platform to showcase information and details related to various activities and events being organised by the BSG. Moreover, all the scouts/guides/rovers/rangers and every member will get a huge exposure and opportunity to stage their talents which shall reach every nook and corner of the country. The channel will prove helpful in reaching out to the ones who are somehow left out from the general public in order to receive information and benefits of being the member of the BSG family.

I would like to apprise you all about the Reorientation Training for the Trainers of the Scout & Guide wings which was an online programme conducted for 7 days in which 47 trainers of the scout wing attended the program and sought training from 1-7 November, 2020. While 61 Guide trainers attended from 5-11 November.

क्या आपने कभी सोचा है कि आपके पास देने के लिये बहुत कुछ नहीं है? आपके पास सबसे मूल्यवान संसाधन रक्तदान कर जीवन बचाने की क्षमता है! इस अमूल्य उपहार को किसी जरूरतमंद के साथ साझा कर उसकी मदद करें। रक्तदान करना मानव जाति की मदद करने का सबसे महान तरीका है। ऐसा करने से, हम किसी के अनमोल जीवन को बचाते हैं, और यह अपने आप में एक आशीर्वाद है। खून दें, जीवन बचाएं। यह मुझे विंस्टन चर्चिल के शब्दों की याद दिलाता है—"मेरे पास रक्त, कठिन परिश्रम, आँसू और पसीने के सिवाय देने के लिये कुछ भी नहीं है।"

सम्पूर्ण भारत में इंडियन रेडक्रॉस सोसाइटी के सहयोग से रक्तदान शिविर आयोजित किये गये। भारत स्काउट्स एवं गाइड्स राष्ट्रीय मुख्यालय पर आयोजित रक्तदान शिविर में दिल्ली, जमीयत यूथ क्लब एवं हरियाणा के 41 लोगों ने रक्तदान किया। एक महान उद्देश्य से आयोजित यह कार्यक्रम अत्यन्त सफल रहा है।

मुझे भारत स्काउट्स एवं गाइड्स के "साप्ताहिक समाचार चैनल" के शुभारंभ की घोषणा करने में अत्यन्त प्रसन्नता हो रही है, जो सभी की जानकारी के लिये ऑनलाइन समाचार अद्यतन चलाएगा। यह चैनल भारत स्काउट्स एवं गाइड्स द्वारा आयोजित की जाने वाली विभिन्न गतिविधियों और कार्यक्रमों से सम्बन्धित सूचनायें और विवरण दिखाने हेतु सबसे अच्छा मंच होगा। इसके अतिरिक्त, सभी स्काउट्स, गाइड्स, रोवर्स, रेंजर्स एवं प्रत्येक सदस्य को अपनी प्रतिभाओं के विशाल प्रदर्शन हेतु एक मंच प्राप्त करने का अवसर मिलेगा जो देश के कोने कोने तक पहुँचेगा। चैनल उन लोगों तक पहुँचने में मददगार साबित होगा जो आम जनता में भारत स्काउट्स एवं गाइड्स परिवार के सदस्य होते हुए इसकी सूचनाएं प्राप्त करने एवं लाभान्वित होने से वंचित रह गए हैं।

मैं आप सभी को स्काउट एवं गाइड विंग के प्रशिक्षकों हेतु आयोजित पुनर्मूल्यांकन प्रशिक्षण के बारे में अवगत कराना चाहूँगा जो कि 07 दिनों के लिए आयोजित एक ऑनलाइन कार्यक्रम था, जिसमें स्काउट विंग के 47 प्रशिक्षकों ने 1 से 7 नवम्बर, 2020 तक भाग लेकर प्रशिक्षण प्राप्त किया। जबकि 61 गाइड प्रशिक्षकों ने 5 से 11 नवम्बर तक प्रशिक्षण में भाग लिया। यह प्रशिक्षण प्रशिक्षकों को स्काउट्स एवं गाइड्स को कुशल तरीके से प्रशिक्षित करने में अत्यन्त सहायक सिद्ध होगा।

The training proved to be of great help to the trainers to further train the scouts and guides in an efficient manner.

We, the BSG are looking forward to celebrate the '71st Constitution Day' on 26 November, 2020 where we shall take oath of the constitution and pledge to abide by it and shall always upkeep and preserve the dignity of our nation. We shall promise to always place our nation first and prove ourselves to be the best citizens in service of our nation. As we know that the scout promise and law already entails in it to put God and our nation before oneself and put everything we have into service of the nation and God.

With Scout/Guide Greetings!

DR. K.K. KHANDELWAL, IAS (RETD.)  
CHIEF NATIONAL COMMISSIONER

हम, भारत स्काउट्स एवं गाइड्स 26 नवम्बर, 2020 को '70वाँ संविधान दिवस' मनाने हेतु उत्सुक हैं जहाँ हम संविधान की शपथ लेंगे एवं इसका पालन करने और अपने राष्ट्र की गरिमा को बनाए रखने की भी शपथ लेंगे। हम अपने राष्ट्र को पहले स्थान देने का वादा करेंगे और स्वयं को राष्ट्र की सेवा में समर्पित सर्वश्रेष्ठ नागरिक सिद्ध करेंगे। जैसा कि हम जानते हैं कि स्काउट प्रतिज्ञा एवं नियम ईश्वर एवं राष्ट्र को स्वयं से पहले रखने तथा अपना सब कुछ राष्ट्र एवं ईश्वर की सेवा में लगा देने की आवश्यकता पर जोर देते हैं।

## TRAINER'S CORNER

### Essential Characteristics of Scouting

We are all aware that Scouting is an educational movement. This fact is contained in the `Definition` of The Bharat Scouts and Guides. The Purpose of the Movement is "to contribute to the development of young people..." through Scout/Guide Method which is a system of progressive self-education based upon a value system i.e. `A Promise and Law` and `Learning by Doing` i.e. self-education.

Let us analyse the terms contained in the above lines in detail.

**1. Educational:** Education in the broad sense has the following qualities:

**a) Definition:**

- A life-long process– continuous development of a person`s capacities both as an individual and as a member of society. The development of an individual takes place exclusively during the formative years i.e in childhood (3 to 10+ years and adolescence (10 to 19 years). The learning process will continue throughout the life of an individual.
- Continuous development of a person`s capacities: develops a person`s capacities such as autonomous, supportive, responsible and committed. As an autonomous person, he or she will be able to make his/her own decisions and manage in life. One who is `Supportive` actively cares about others. `Responsible` means able to assume the consequences of the decisions he/she makes, to keep commitments and to complete what he/she undertakes. One who lives according to his/her values and supports the ideals is `Committed`.
- Shapes an individual – develops in all areas of growth, namely, physical, intellectual, emotional, social and spiritual.

**b) As a member of society-** an awareness of and concern for others and a sense of belonging to a community. Learn to live with others as a member of the local, national and international communities.

**c) Four pillars of Education** – Learning to know, Learning to do, Learning to live together and Learning to be i.e. to develop one`s character.

**d) Educational Agents:**

- Formal Education –hierarchically structured, chronologically graded education system.
- Informal Education – acquires attitudes, values, skills and knowledge from daily life experience from family, friends, peer groups, the media and other influences such as environment.

- Non-formal education – organized educational activity outside the established formal system.

**2. Scouting's Specific Approach:** As an educational movement for young people, Scouting identifies fully with the elements of education as stated above.

- Its purpose is to contribute to the development of young people's full potentials as autonomous, supportive, responsible and committed individuals and members of society.
- It includes all the four pillars of education: learning to know, learning to do, learning to live together and learning to be, the last two requiring a particular emphasis.
- It belongs to the category of non-formal education since it takes place outside the formal educational system while it is an organized institution with an educational aim.
- In addition, Scouting's educational approach is characterized by the following:

**a) Holistic approach:**

- it adopts a holistic approach to a young person's education. Scouting seeks to meet each young person's educational needs as they emerge, while continuing to stimulate development in all dimensions, namely, physical, intellectual, emotional, social and Spiritual.
- it seeks to achieve its educational purpose on the basis of an educational proposal;
- as a non-formal educational agent, it plays a complementary role to that of other educational agents;
- it recognizes that it can only make a contribution to the education of young people.
- it recognizes the individual as an integral part of the world in which he/she lives.

**b) An Educational proposal:**

- Scouting contributes to the development of young people's full potential – on the basis of a number of ideals or values and its principles with clearly defined educational method i.e the Scout Method.
- Scouting is fully successful when a member leaves the movement with a positive attitude towards entering adult life.

**c) A complementary role:**

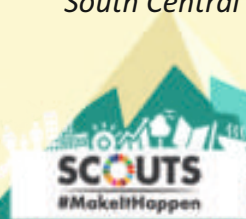

- Scouting forms part of non-formal educational agency. So, a Scout Leader or unit leader is not simply another teacher or parent.

**d) A contribution:**

- Scouting directly helps young people develop their potential during their stay in the Movement. So, youth should be a member of the Movement through his adolescent years.
- Scouting's educational approach seeks to help the young person to be responsible for his or her own development. It also seeks to help the young person to develop the inner resources - and desire - to continue to realize his or her potential as an individual and as an active and constructive stakeholder in the world once the young person has left the Movement.

## Scouts and guides cheer President-elect Joe Biden

SANJAY SAMUEL PAUL  
| DC  
HYDERABAD, NOV. 9

Scouts and guides of the twin cities are thrilled that one of their community members, Joe Biden, has gone on to become President-elect of the United States of America. Peripally Rahul, a scout, had been regretting that Coronavirus had spoilt their November, which would otherwise have kept them busy with camps, service to society and adventure activities like rock climbing. Their

outings in November, which mark the Foundation Day celebrations of Scouts and Guides movement, had got reduced to virtual home-based activities.

"I was missing all those camps and activities, which had been suspended due to Covid-19 pandemic. But now, it is thrilling to know that the next American President had been a Scout," Rahul said with glee.

ongoing week-long "Yuvasagatha Bolgar Utsav 2020" that will conclude on November 14. During normal times,

the activities of Scouts and Guides include focus on life skills, along with arts and craft work. "While in camps, we train in rock climbing, clearing roads during emergencies and learning how to help someone in danger," said Greeshma.

It is a moment to cherish for scouts and guides that one of their alumni is set to become the President of the most powerful country in the world. There are many among us who have risen in the society but Joe Biden's case is special, said Ramesh Reddy, treasurer of the Secunderabad District Scouts and Guides. Scouting was founded by Sir Robert Baden Powell in 1914. S. Saravathi, a retired professor and Commissioner for Bharat Scouts and Guides, said, "Our district unit is now nearly 100 years old. The purpose of our movement is to develop young people and help them achieve their full physical, mental, social and spiritual potential as individuals and responsible citizens of the society"
