## President's Message संदेश

The nation will celebrate 150th birth anniversary of father of nation Mahatma Gandhi on 2nd October, 2020. Mahatma ji set high standards for social service and practised what he preached. His vision for gram swaraj is now being promoted by our Honourable Prime Minister with his mission "AtmaNirbhar Bharat". During last 5 years, our government promoted various schemes to realise the dream of Father of the Nation Mahatma ji. Swacch Bharat Abhiyan has created far reaching impact in cleanliness of our country. The Beti Bachao Beti Padhao Abhiyan paved way for empowerment of our sisters through various legislations that created social security for women. The schemes for food security and Medicare reform have reached millions of people who were deprived of the same.

As responsible citizens of this country each member of The Bharat Scouts and Guides should commit himself/herself to create awareness among the common people about the benefits of Government schemes and help them to avail the benefits.

The unlock process after Covid-19 situation is demanding more responsibility on our part. We should follow the instructions, namely, the mask, hand washing protocol and 6 feet distance, as safety measures while going out for work and study.. Let every member of the organisation continue to work as Covid Warrior to keep the spread of Covid under control and keep the promise to serve the country.

With best wishes on Gandhi Jayanti

राष्ट्र 2 अक्टूबर, 2020 को राष्ट्रपिता महात्मा गाँधी की 150वीं जन्म जयंती मनाएगा। महात्मा जी ने समाज सेवा के उच्च मानदंड स्थापित किये और उन्होंने जिसका प्रचार किया उसका अभ्यास भी किया। ग्राम स्वराज की उनकी कल्पना को अब हमारे माननीय प्रधानमंत्री जी द्वारा अपने मिशन "आत्मनिर्भर भारत" के साथ प्रचारित किया जा रहा है। पिछले 5 वर्षों के दौरान हमारी सरकार ने राष्ट्रपिता महात्मा गाँधी जी के सपने को साकार करने हेतु विभिन्न योजनाओं को बढ़ावा दिया, स्वच्छ भारत अभियान ने हमारे देश की स्वच्छता में दूरगामी प्रभाव पैदा किया है। बेटे बचाओ बेटे पढ़ाओ अभियान ने हमारी बहनों के सशक्तिकरण तथा महिलाओं के लिए विभिन्न सामाजिक सुरक्षा कानून बनाने का मार्ग प्रशस्त किया। खाद्य सुरक्षा और चिकित्सा सुधार की योजनाओं उन लाखों लोगों तक पहुँची जो उनसे वंचित थे।

इस देश के जिम्मेदार नागरिकों के रूप में, भारत स्काउट्स एवं गाइड्स के प्रत्येक सदस्य को सरकार की योजनाओं के लाभों के बारे में आम लोगों में जागरूकता पैदा करने और उन्हें लाभ उठाने में सहायता करने के लिए स्वयं को प्रतिबद्ध करना चाहिए।

कोविड-19 स्थित के पश्चात अनलॉक प्रक्रिया से हमारे ऊपर और अधिक जिम्मेदारी आ गई है। हमें काम और अध्ययन के लिए बाहर जाते समय सुरक्षा उपायों पर निर्देशों का पालन करना चाहिए। मास्क का प्रयोग, हाथ धुलाई प्रोटोकॉल एवं 6 फीट की दूरी बनाए रखी जाए। संगठन का प्रत्येक सदस्य कोविड के प्रसार को नियंत्रण में रखने एवं देश सेवा की प्रतिज्ञा के साथ कोविड योद्धाओं के रूप में कार्य करना जारी रखें।

गाँधी जयंती की शुभकानाओं सहित

डॉ. अनिल कुमार जैन

## Personally Speaking अपनी बात

“It isn’t enough to talk about peace. One must believe in it. And it isn’t enough to believe in it. One must work at it.” Happy Peace Day to all. Peace is not just mere absence of violence, peace is, I think, the manifestation of human compassion. It comes from being able to contribute the best that we have, toward creating a world that supports everyone.

As said by Robert Baden-Powell “A week of camp life is worth six months of theoretical teaching in the meeting room”, the Bharat Scouts and Guides organized a “National Adventure Camp-cum- COVID-19 Awareness Campaign 2020” at National Youth Campus (NYC) in Gadpuri under ‘Fit India Movement’ from 9 to 13 September 2020. The camp had a good partaking of 72 participants and staff. Around 70 COVID Warriors were also felicitated for their efforts and endurance during the tough times of the pandemic.

BSG is conducting a series of ongoing webinars on WAGGGS relating to different subjects and topics which shall continue for a month.

The New Education Policy (NEP), 2020 formulated by our Government has brought several reforms in the Education system in India. The policy aims to transform India’s educational structure by 2030 by outlining comprehensive framework to holistically improve the quality of schooling along with building competencies of teachers through various schemes and missions.

I would like to notify you all about the centenary celebration of ‘100- years of Rangering’, which was to be celebrated this month, has been extended for a period of 3 months i.e. till 31st December 2020.

Best Wishes and Peaceful Greetings to all.

DR. K.K. KHANDELWAL, IAS (RETD.)  
CHIEF NATIONAL COMMISSIONER

“शांति के बारे में बात करना ही पर्याप्त नहीं है। इसमें विश्वास करना चाहिए, और इस पर विश्वास करना ही पर्याप्त नहीं है। व्यक्ति को इस पर काम अवश्य करना चाहिए।” सभी को शांति दिवस की शुभकामनाएं। शांति केवल हिंसा का अभाव नहीं है, मुझे लगता है मानवीय करुणा का प्रकटीकरण शांति है। यह हमारे पास, एक ऐसी दुनियाँ बनाने में जो सभी का समर्थन करती है हेतु सबसे अच्छा योगदान करने में सक्षम होने से आती है।

जैसा कि रॉबर्ट बेडेन-पावेल ने कहा “शिविर जीवन का एक सप्ताह, बैठक के कमरे में छः माह के सैद्धान्तिक शिक्षण से भी कीमती है। भारत स्काउट्स एवं गाइड्स ने 9 से 13 सितम्बर, 2020 तक ‘फिट इंडिया मूवमेंट’ के अन्तर्गत “राष्ट्रीय साहसिक शिविर सह कोविड-19 जागरूकता अभियान 2020” का आयोजन राष्ट्रीय युवा परिसर (एनवाईसी), गदपुरी में किया। शिविर में 72 प्रतिभागियों एवं स्टाफ की अच्छी भागीदारी थी। लगभग 70 कोविड योद्धाओं को महामारी के कठिन समय में उनके द्वारा किए गए प्रयासों एवं उनके धैर्य के लिए सम्मानित किया गया।

भारत स्काउट्स एवं गाइड्स, वैग्स से सम्बन्धित विभिन्न विषयों पर वेबिनार की एक श्रृंखला आयोजित कर रहा है जो एक महीने तक जारी रहेगी।

हमारी सरकार द्वारा तैयार की गई नई शिक्षा नीति (एनईपी), 2020 ने भारत में शिक्षा प्रणाली में कई सुधार लाए हैं। नीति का उद्देश्य 2030 तक विभिन्न योजनाओं और मिशनों के माध्यम से शिक्षकों की निर्माण क्षमता के साथ-साथ स्कूली शिक्षा की गुणवत्ता में सुधार हेतु व्यापक ढाँचे की रूपरेखा तैयार करके भारत की शैक्षिक संरचना को बदलना है।

मैं आप सभी को ‘रेंजरिंग शताब्दी वर्ष’ समारोह जिसे इसी महीने मनाया जाना था के बारे में सूचित करना चाहूँगा इसे अब 3 महीने की अवधि अर्थात् 31 दिसम्बर, 2020 तक के लिए बढ़ा दिया गया है।

सभी को शुभकामनाएं एवं शांतिपूर्ण बधाई।

## From Editor's Desk सम्पादक की कलम से

I am very happy to note that Scouts, Guides, Rovers, Rangers and Unit Leaders all over India are participating in yoga activities under Fit India Hit India Movement of Govt. of India to keep our body and mind healthy by practicing yoga in our daily life. They are also spreading the message of benefits of yoga in the community.

Gandhi Jayanti is celebrated on 2<sup>nd</sup> October every year to mark the birth anniversary of the most prominent leader of the Indian freedom struggle. Popular for his non-violent movement, the purpose of this day is to honour the iconic leader. We hope that all the members of the Bharat Scouts and Guides will also celebrated this important day in a grand manner. As this year is the closing of 150th birth centenary of Mahatma, we all have to do lot of activities and celebrate 2<sup>nd</sup> October in a large scale.

We have planned to organise the closing ceremony of 100 years of Ranging in the month of September, 2019, but due to pandemic situation of Covid-19 in the country it would not be possible. Now, the closing ceremony will be held in the four months from Sept. to December, 2020 virtually.

The Union Cabinet has approved the New Education Policy 2020. One of the stated aims of the policy is to instil a "deep-rooted pride" in being Indian, not only in thought, but also in spirit, intellect, and deeds as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being. We are planning to develop our strategy to find a place in the New Education Policy. Lets work together and sent your suggestions to NHQ to have meaningful strategy on NEP.

मुझे यह जानकर अत्यन्त प्रसन्नता हुई है कि अपने शरीर और मन दोनों को स्वस्थ रखने हेतु पूरे भारत में स्काउट्स, गाइड्स, रोवर्स, रेंजर्स तथा यूनिट लीडर्स अपने दैनिक जीवन में योग का अभ्यास करने हेतु भारत सरकार के फिट इंडिया हिट इंडिया आन्दोलन के अन्तर्गत योग गतिविधियों में भाग ले रहे हैं। वे समुदाय में योग के लाभों का संदेश भी फैला रहे हैं।

गाँधी जयंती प्रत्येक वर्ष 2 अक्टूबर को भारतीय स्वतंत्रता संग्राम के सबसे प्रमुख नेता की जयंती के रूप में मनाई जाती है। इस दिन का उद्देश्य अपने अहिंसक आन्दोलन के लिए लोकप्रिय प्रतिष्ठित नेता का सम्मान करना है। हमें आशा है कि भारत स्काउट्स एवं गाइड्स के सभी सदस्य भी इस महत्वपूर्ण दिन को भव्य तरीके से मनाएंगे। जैसा कि इस वर्ष महात्मा की 150वीं जन्म शताब्दी का समापन है, हम सभी को बहुत सारी गतिविधियाँ कर इसे 2 अक्टूबर को बड़े पैमाने पर मनाना है।

हमने सितम्बर 2020 के महीने में रैंजरिंग शताब्दी वर्ष समापन समारोह के आयोजन की योजना बनाई लेकिन देश में कोविड-19 की महामारी की स्थिति के कारण यह आयोजन करना संभव नहीं होगा। अब समापन समारोह सितम्बर से दिसम्बर, 2020 तक चार महीनों में आभासी रूप से आयोजित किया जायेगा।

केन्द्रीय मंत्रिमंडल ने नई शिक्षा नीति 2020 को मंजूरी दे दी है। नीति के घोषित उद्देश्यों में से एक भारतीय होने की "गर्व की गहरी जड़ों" को न केवल विचार में अपितु आत्मा, बुद्धि और कार्यों में भी, ज्ञान, कौशल, मूल्यों और प्रस्तावों के विकास के लिए मानवाधिकारों, सतत विकास, रहन-सहन एवं वैश्विक कल्याण के लिए जिम्मेदार प्रतिबद्धता का समर्थन करना है। हम नई शिक्षा नीति में स्थान प्राप्त करने के लिए अपनी रणनीति विकसित करने की योजना बना रहे हैं। आईये हम सब मिलकर कार्य करें एवं अपने सुझावों को राष्ट्रीय मुख्यालय भेजें।

The Bharat Scouts and Guides, National Headquarters has organised a series of webinars on WAGGGS initiatives and other important topics also.

International Day of Peace was celebrated by all the members of the organisation in a grand manner. Number of peace related activities were organised virtually all over the country.

We hope that all the Scouts, Guides, Rovers, Rangers and unit leaders of the organisation will continue to work for peace related work in the society.

With Scout/Guide Greetings,

## Trainer's Corner

(.....continued from previous issue)

The daily programme started at 6a.m. with the blow of Kudoo horn by B.P. himself. This must be the Scouting Sunrise day. This was followed by wash, cocoa, clean-up campsite, subject of the day (introduced during the campfire of the previous night), physical drill-led by B.P., Flag break and Prayers. After breakfast, Scouting exercises were taken up. After Lunch and some rest, the boys went for Games and Competitions on the day's subject. The day ended with Dinner and Campfire.

BADEN-POWELL had formulated a successful teaching strategy-the topic to be considered was introduced informally and in an interesting way, usually at the campfire the night before. The following morning there would be a period of instruction which later on would be reinforced by a game or competition. August 8 was the last day of the camp. B-P had invited the Van Raaltes and their house guests along with the Literary Manager from Pearson's - B-P's publisher - Percy W. Everett for the special programme. It included games, competitions, demonstrations of First Aid, Firemanship etc.

The campers then returned to camp for the last campfire. The chorus Eeengonyama startled the dusk -

B-P:

"Eeengonyama - gonyama."

The Boys:

"Invooboo. Yabo! Invooboo."

he next days the boys returned to the Hyacinth for their homes. B.P. praised that the `Discipline was excellent.`

Percy Everett of Pearson's wrote twenty years later,

"I can still see him, as he stands in the flickering light of the fire - an alert figure, full of the joy of life, now grave, now gay, answering all

manner of questions, imitating the call of birds, showing how to stalk an animal, fleshing out a little story, dancing and singing round the fire ... "

In this way, the historic first experimental camp at Brownsea Island was highly successful. With this, B.P. had displayed two lives- one as a military hero and the other as the Founder of the Boy Scouts and Girl Guides movement, giving shape to the Biography of B.P. titled as 'The Two Lives of a Hero' written by William Hillcourt. His vision for the youth of the world and his great desire for peace and world unity are the need of the hour at all times.

### Why Open Sessions on Courses?

In all training Courses conducted by the Bharat Scouts and Guides, time is allotted for Open Sessions on the last day of the course. All the trainers and the trainees of the course participate in it. Open session will be conducted by the Leader of the concerned course. All the staff members who assisted in the course will be obviously present. The purpose of conducting Open Sessions is to give opportunities to the trainees to get their doubts cleared in the topics that were dealt in the course.

During the session, some statements or words or ideas might not have been explained completely to the satisfaction of the trainees due to reasons like language problem, shortage of time, unpreparedness of the trainers or instructors, or sometimes the doubts may be beyond the scope of that particular course. Sometimes the trainees may get doubts after the session or they may feel the need for clarification when they discuss with co-trainees.

Before Open Session is initiated, the Leader of the Course will formally address the trainees stating that they are free to ask any doubts related to the topics which were covered during the course. When such doubts are raised by the trainees or participants during the open session, LOC usually requests the concerned staff member who dealt that topic, to clarify or answer. If further clarification is needed, LOC may express his view in an attempt to clarify, without contradicting the views of the concerned staff member. If further clarification is needed, LOC may invite other staff members to express their views. But LOC should not ask a particular staff member to clarify their doubts without knowing his or her readiness.

In case neither the LOC nor the staff members have any proper solution, LOC may assure the trainees that authentic information will be communicated to them after the course, if the question is within the scope of the said course. Otherwise, LOC may tell clearly that the question is beyond the scope of the course and it will be cleared when the trainees attend the next higher course.

In this context Sri Krishnaswamy, R. adds: Before handling the 'Open Session', the leader should prepare the following:

- (1) the syllabus of the course, the hand-outs and other reference material used by the staff for the particular course.
- (2) Keep other books related to administration limited to the scope of the course such as Basic, Advanced or HWB.
- (3) Any other information like the website address of the Bharat Scouts and Guides or that particular state or contact address of the state with whom they can clarify on administrative matters.

Now-a-days, it is good that our trainees are reading scout literature due to the introduction of SLMs and the pre-course assignments thereafter, and attending the courses with in-depth knowledge. Hence the trainers, who are on the staff, are also required to update the information by reading literature including World Scout Handbook. In some courses, LOC invites participants of the course to ask any questions related to scouting. The participants respond by asking questions related to administrative or organizational matters of their districts or states. Such questions pose challenges to the LOC. So Leaders of the Courses should make the open sessions as platforms for clearing their technical doubts related to the topics which were dealt in the course but not as forums for redressing their personal grievances.

”

— Ministry of Youth Affairs and Sports, Govt. of India twitter update

The Bharat Scouts & Guides identified these issues and challenges during the COVID-19 pandemic: food, hygiene, sanitation, automatic rise in the price of masks, non-availability of masks, non-availability of voluntary blood donors especially for the Thalassemia affected patients, social distancing, assistance in distributing government provisions to the needy, among others.

INDIA

The NSO has revised its youth programme tentatively for one year to focus on Scouting from home. Scouts are joining youth programmes through digital platforms.

Except COVID-19 service related activities, services are done virtually while observing government guidelines for public gatherings.

Through these activities, Scouts learned numerous values such as solidarity, social responsibility, mental fitness, resourcefulness and being healthy.

In addition, it is also important not to waste food and water, help communities when in crisis, and stand for needy people.

Scouting and Guiding became visible to the public. The Movement created a good partnership with the government and media, and were recognized for their effort, boosting the confidence of Rovers and Rangers who were active in the initiatives.

In addition, financial contributions were made towards PM Cares Fund and CM Relief Fund.

Volunteers served at various shelter homes established by the government for immigrant laborers and migrant people to relieve them from mental anxiety and homesickness. They introduced a skills based educational programme continuously for a month. Apart from this, project Charan Paduka was also organized which is giving footwear to migrant laborers.

The Bharat Scouts and Guides organized food distribution for people as well as for street animals. In some parts of the country, Scout kitchens were set up where Scouts cooked food and served people in need for 69 days in a row. It is estimated that over 200,000 food packs were distributed.

Apart from this, various groups in other districts initiated food relief operations.

Since the announcement of nationwide lockdown by the Government of India, Scout volunteers engaged in various health initiatives to mitigate the spread of the virus which includes: screening, sanitization drive, medicine distribution (Homeopathy), thermal screening and voluntary blood donation campaigns for Thalassemia patients due to the lack of blood donors.

As a result of increase in prices of masks, the NSO has taken up the initiative to set-up Mask Banks in all the State Associations. Scouts and Guides, Rovers and Ranger as well as Adult Leaders all over the country started making masks for the Mask Bank and distributed them to needy people in their own communities, free of cost.

To raise public awareness on the COVID-19 pandemic, Scouts distributed handbills and leaflets on prevention tips and measures. They were stationed in crowded places to maintain social distancing. In addition, several street plays were shown in public places to raise awareness.
